One Thousand Trimmed and Untrimmed Hats.

In the Lockhart Mill-End Sale at less than cost.

The bulk of the Millinery business of this season is over, but our work rooms have been kept busy making all remaining stocks from our mammoth wholesale and retail departments preparing for this sale.

These we have transferred to our retail department in the main store, and will close it out in this sale at a very small fraction of their value.

Women's Dresses, Suits, Coats and Skirts.

All specially purchased and at wonderfully low special prices in the Lockhart sale.

A woman has but to see this wonderful collection of beautiful garments to appreciate the extraordinary character of the offering. A look at the prices and women who know will realize the impossibility of having a suit,

coat or frock made for anything like the low figures quoted here.

That is saying nothing in regard to the styles, which are all that the most discriminating taste could desire, and far better than the average dressmaker could successfully carry out.

Shoe Factory Mill-End Lots

We have purchased for this huge sale 20,000 pairs of shoes for spot cash. Dull business with shoe manufacturers gave us the opportunity to secure the greatest bargains in the history of our business. The entire family can buy their shoe outfit, suitable for present or

fall needs. All good shoes, but never such prices before. This sale will be a record breaker for Knoxville.

House Furnishings, Curtains, Rugs and Draperies at Big Savings in the Lockhart Mill-End Sale.

The Phenomenal Lockhart Mill-End Bargains in Choicest Silks, Dress Goods and Trimmings.

Never before—perhaps never again—have the people of Knoxville had the opportunity to purchase such unusually high class dress fabrics at such remarkably low Mill-End prices. A delayed Spring season, a financial stringency, and a merchandise surplus has forced much fine goods to be sacrificed. Mr. Lockhart, constantly in touch with all such opportunities, has selected for us the best of these, and they go on in this sale at their remarkably low MILL-END COST PRICES.

DOCTRINE OF

BRIMSTONE

Chattanooga, June 3.—Dr. Stuart J. Spence, one of the leading dentists of Chattanooga, created a sensation tonight in St. James M. E. church during revival services. Rev. Mr. Patty the evangelist said: "God's spirit forsok Christ on the cross so that he could die, and he died and went to hell where he suffered all the torments of the damned." He further remarked that "there are many boys and girls to be found today especially in the cities who have never heard an old fashioned sermon on hell." At this juncture in the sermon Dr. Stewart J. Spence, one of the leading dentists in the city who happened to be present with his daughter said, "praise God, I am glad it is true, and I am sorry I brought my daughter here tonight to hear this one." And raising from his seat took his daughter and left the church. This sudden protest against the doctrine of brimstone for the sinner in the next world threw the congregation into a state of excitement.

Dr. C. G. Holland and daughter Miss Stella May arrived Monday from their winter's stay in Florida.

BANKERS WILL RAISE MONEY

A movement is on foot to organize a syndicate of bankers in Tennessee who will finance the payment of the semi-annual interest on Tennessee's state debt, which amounts to about \$180,000 and which will be due on July 1st.

Among the bankers interested in the movement, and who discussed the probable formation of the syndicate are some in Nashville, Chattanooga, Knoxville and other points in the eastern section of the state.

Since the quorum of the legislature was broken without the general appropriations bill being passed, it has been feared that the reputation of the state was endangered and that Tennessee's credit would suffer. Comptroller Dibrrell has refused to pay out any funds whatever, but the people of Tennessee know well that his refusal to pay any of the state's obligations without specified authority from a legislative act is purely a political move, and the movement on foot to raise money to meet this interest due July 1st is a plan of the opposition, the fusionists, to save the state's credit and at the same time, block the game of the "regulars." The latter have sanctioned Mr. Dibrrell in what he done, believing that if the state could not meet these claims as they fell due, the people would hold the "fusionists" who broke the legislative quorum responsible, and they would thus have strong political capital for the next campaign. This movement among the bankers to meet the interest claims checkmates the "regulars" and saves the state's reputation, at the same time.

It was understood that at least one-third of the amount will be made up in Knoxville.

Probably Peace Dove In a Cage

Is Being Carried to Nashville by Senator Lea.

Washington, D. C., June 6.—Senator Luke Lea, without advertising the fact in any way, left last night for Tennessee; but word came from his wake that he was going to Nashville in a patriotic effort to settle or help settle the distracting conditions, which have recently been disturbing the welfare of the state in its legislative and executive departments. He asked Senator Taylor to go along with him, but the senior is up to his neck with local engagements legislative and otherwise, and will not be able to go to Tennessee until next Monday.

NO ARRESTS LIKELY AS RESULT OF A LYNCHING

Memphis, June 7.—After investigating the case of lynching early yesterday morning of Pat Camp, a negro, in the lower part of town, Sheriff Tate announced that there would probably be no arrest. In fact, Judge Lynch was complimented after old time citizens in the White Haven neighborhood had volunteered their testimony, tending to show that Camp had attempted assault on a defenseless woman. Officers were en route to the local jail with Camp when a mob overpowered them.

STAGECOACH IN WILD RUNAWAY

One Tourist Dead and Ten Are Hurt, in the Yosemite.

Yosemite, Cal., June 7.—In a stage coach runaway in the Yosemite Valley late yesterday, R. S. Lelsensing of Allentown, Pa., was instantly killed, three women were seriously injured and seven other persons sustained minor injuries.

All were tourists. The accident occurred on steep grade between the big tree grove at Wawona and the floor of Yosemite Valley. The party, numbering forty persons, occupied four big mountain stage coaches.

At a steep grade the horses on the front stage became frightened. The brakes failed to hold and the team galloped down the winding road with the stage swinging from side to side between a high bank and a sharp precipice, while the passengers screamed in fright. Convinced that he could not stop the animals, the driver finally turned them straight into the wall of cliff. The stage turned over and several of the passengers were caught beneath it. Lelsensing was thrown clear, but struck on his skull.

Mrs. Sweasy had disappeared and is believed to have been taken prisoner by bandits and held for ransom.
